61) The appointment of previous Registrars viz., Messrs. Kincaid Lee and B. Subba Rao was notified in the Gazette and they were treated as Gazetted officers in all respects.

62) The nature of the work of the Department is such that the officers of the Department including the Director have to be frequently on tour. In the interests of despatch of business, a stationary officer is required at Head Quarters to sign papers, bills etc., during the Director's absence. The Registrar also comes into contact with persons engaged in the mining industry, many of whom are European gentlemen of rank.

63) For the above reasons it is desirable to treat the appointment of Registrar as one of Gazetted rank. The Director's proposal may therefore be approved.

69) I think it would create a very undesirable and inconvenient precedent to ~~appoint~~ recognise an appointment on 100–150 as a Gazetted appointment. Moreover the last order of 9.2.1915 which sanctioned only a ministerial i.e. non-gazetted appointment should be worked for some time & cannot be changed so soon. Para 20 of this order explains why under the new arrangements a Gazetted appointment for the Director appointment is not necessary.

DEPARTMENT OF MINES AND GEOLOGY,
MYSORE STATE.

Bangalore, 6th Sept. 1916.

Dear Sir,

In the sanctioned Budget Estimate for 1916-17 published in the Mysore Gazette Extraordinary of 25th August 1916 under Government Order No.Fl.725-29-G.F.166-15-2, dated 31st July 1916, I find that the pay of the Registrar of this Department has been placed under "(1) 6 - Head Quarters Office Establishment.", though it had been included under the head of "Salaries" of Officers in the Budget Estimate provisionally accepted by Government. I do not know what the change in the disposition is due to, but I am informed that the Comptroller holds a doubt as to whether the appointment of the Registrar should be treated as a Gazetted one or not and that he has sought the orders of Government in the matter. He has not yet issued the usual audit slip to Mr.Varadaiya in respect of his pay and also hesitated to pass until yesterday, the 5th instant, the Establishment Pay Bill of this office for the past month which had been signed for me by the Registrar with a view to have it audited in time for its encashment on the 1st instant, as the following day was a Sunday. I shall be glad therefore if you will kindly issue such instructions to the Comptroller as may be necessary in order to remove any doubt he may have in regard to the status of the Registrar of this Department.

2. I have stated clearly in several communications submitted to Government that the Registrar should be a Gazetted Officer and in accordance with this representation Mr.Varadaiya's appointment as Registrar has been duly Notified in the Gazette.

3. The previous Registrars of this Department - Messrs. Kincaid Lee and B. Subba Rau - were both Gazetted Officers and

Mr.

15

Mr. Varadaiya has been doing the same kind of work that Messrs. Lee and Subba Rau were doing. As a matter of fact the work of the Department has considerably increased since its late re-organization.

4. The duties of the Registrar are, as already pointed out by me in my previous Notes, more of the nature of those of an Office Assistant than of a mere Manager. He comes in frequent contact with many respectable public who come here for enquiries and disposes of all routine cases on his own responsibility. He is de facto an Office Assistant and should therefore have the status of a Gazetted Officer.

5. The fact that the Registrar's pay has been fixed at Rs.100-10-150 ought not to prejudice the status of his office, as the first Registrar of the Department, Mr. Kincaid Lee, who was a Gazetted Officer was started on a pay of Rs.100/- and rose eventually to Rs.150/-. Mr. Subba Rau too rose to the pay of Rs.250/- after several years' service on less pay.

6. Whatever may be the pay of the Registrar of this Department, his functions are of such a nature that he should be placed on the Gazetted Staff and be able as an officer to sign papers, bills, &c. for the Head of the Department. This will be particularly desirable while I am away on leave during which time the responsibility of the Registrar will of necessity be considerably increased. I trust you will kindly give these points your best consideration and move the Government to pass orders accordingly.

Yours sincerely,

D.M. Narasinga Rao, Esquire, B.A.,B.L.,

Secretary to Government,

General Department.
